(2) They shall be deemed to have come into force with effect from the dates on which they have been effective in the case of Central Government servants.

2. Substitute the following sub-regulation (2) for the existing sub-regulation (2) of regulation 78 of the Mormugao Port Employees' (Pension and Gratuity) Regulations, 1966, (hereinafter referred to as the said regulations) namely:—

"(2) Subject to the provisions contained in sub-regulation (3) and subject to the provisions for withdrawal of an application contained in the proviso to sub-regulation (1) of this regulation, the commutation shall become absolute that is, the pensioner shall become entitled to receive the commuted value, on the date on which the Medical Authority signs the medical certificate. Payment of the commuted value shall be made as expeditiously as possible, but in the case of an impaired life no payment shall be made until either a written acceptance of the commutation has been received or the period within which the application for the commutation may be withdrawn, has expired. The reduction in the amount of pension on account of commutation shall become operative from the date of receipt of commuted value of the pension by the pensioner or three months after the issue of the authority asking the pensioner to collect the commuted value of the pension by the pensioner by the Accounts Officer whichever is earlier. This date will be entered in both parts of the Pension Payment Order by the disbursing Officer."

3. Insert the following notes below sub-regulation (2) of regulation 78 of the said regulations, namely:—

"Note:—1. The applicant who has clearly indicated his intention to commute the maximum amount of his pension or expressed the amount proposed to be commuted as a fraction or percentage of the full and final pension, within the maximum permissible limit and is allowed to commute such fraction or percentage of the anticipatory or the provisional pension sanctioned to him on the earlier occasion shall neither be required to apply afresh nor to produce a fresh certificate of medical examination for commutation of the difference between the fraction or percentage of the final pension and the anticipatory or provisional pension. As the commutation in such cases is payable in two instalments one, out of the anticipatory or provisional pension and the other after final assessment of pension the report from the Accounts Officer will have to be called for in Part II of Form 'M' for Commutation of Pension twice. A fresh sanction of the Administrative authority for the difference of the commuted value i.e. the maximum value accrued minus value commuted provisionally shall be necessary, regard, however being had to the need for further medical examination as in Note 2 below. This will also apply to cases where the pension finally sanctioned to a retired employee is subsequently revised retrospectively.

Note:—2. A person who is allowed provisionally to commute a portion of his pension not exceeding Rs. 25/- and who anticipates that the final amount of pension that he would be entitled to commute might exceed Rs. 25/- shall indicate that fact in his application in case he desires to commute a sum exceeding Rs. 25/-. The sanctioning authority shall in such cases arrange for medical examination as if the amount to be commuted exceeds Rs. 25/-. In case such fact is not indicated the employee shall be permitted, on finalisation of the amount of his pension to commute the difference between the amount of pension originally commuted and Rs. 25/- without further medical examination, if the original amount commuted together with the difference referred to does not exceed Rs. 25/-. If the sum exceeds Rs. 25/- the commutation of any further sum, if admissible shall be treated as fresh commutation and allowed subject to examination by a Medical Authority.

The date on which the Medical Authority signs the medical report shall be the date of effect for the difference of the amount of the portion of pension to be commuted for which the medical examination is conducted."

4. Substitute the following regulation 24 for the existing regulation 24 of the said regulations, namely:—

"Forfeiture of service on resignation:

24. (1) Resignation from a service or a post, unless it is allowed to be withdrawn in the public interest by the appointing authority, entails forfeiture of past service.

(2) A resignation shall not entail forfeiture of past service if it has been submitted to take up, with proper permission, another appointment whether temporary or permanent, under the Board where service qualifies.

(ii) that during the period intervening between the date on which the resignation became effective and the date from which the request for withdrawal was made, the conduct of the person concerned was in no way improper;

(iii) that the period of absence from duty between the date on which the resignation became effective and the date on which the person is allowed to resume duty as a result of permission to withdraw the resignation is not more than 90 days.

(iv) that the post, which was vacated by the employee on the acceptance of his resignation or any other comparable post, is available.

5. Request for withdrawal of a resignation shall not be accepted by the appointing authority where an employee resigns his service or post with a view to taking up an appointment in or under any Government or under a private commercial company or under a Corporation or Company wholly or substantially owned or controlled by the Government or in or under a body controlled or financed by the Government.

6. When an order is passed by the appointing authority allowing a person to withdraw his resignation and to resume duty, the order shall be deemed to include the condonation of interruption in service but the period of interruption shall not count as qualifying service.

5. Substitute the following regulation 25 for the existing regulation 25 of the said regulations, namely:—

"Forfeiture of service on Dismissal or Removal and counting of past service on reinstatement.

25. (1) Dismissal or removal of an employee from a service or post entails forfeiture of his past service.

(2) An employee who is dismissed, removed or compulsorily retired from service, but is reinstated on appeal or review, entitled to count his past service as qualifying service.
